

Genealogical Codicil to My Last Will and Testament

To my spouse, children, guardian, administrator and/or executor:

Upon my demise, it is requested that you **DO NOT** dispose of any or all of my genealogical records, both those prepared personally by me and those records prepared by others which may be in my possession, including but not limited to books, files, notebooks or computer programs (Family Tree Maker or other program), for a period of two years.

During this time period, please attempt to identify one or more persons who would be willing to take custody of said materials and the responsibility of maintaining and continuing the family histories. I suggest that the persons contacted regarding the assumption of the custody of these items include but not be limited to: (list family or other individuals)

In the event you do not find anyone to accept these materials, please contact The Sheboygan County Historical Research Center in Sheboygan Falls (or other entity) and determine if they will accept some parts or all of my genealogical materials.

Please remember that my genealogical endeavors consumed a great deal of time, travel, and money. Therefore, it is my desire that the products of these endeavors be allowed to continue in a manner that will make them available to others in the future.
